# French Interpore Conference on Porous Media

8 -10 October 2018 - La Cité Nantes Event Center  
Nantes (France)

Biennial conference  
Understanding of the complex behavior of porous media

- > Registration opening and abstract submission : 15<sup>th</sup> January 2018
- > Deadline for abstract submission : 30<sup>th</sup> March 2018
- > Notification of acceptance : 13<sup>th</sup> April 2018
- > Standard registration deadline : 15<sup>th</sup> June 2018

Ideal place for scientific exchanges where fundamental and applied topics,  
often interdisciplinary, are discussed :

- > Energy storage
- > Pollution
- > Renewable energy
- > Petroleum engineering
- > Natural environment
- > Food and health
- > Civil engineering

## > Scientific topics

Mechanical and thermal behavior of porous media - Multi-physics coupling and numerical modelling - Fluid mechanics in Engineering processes - Porous media for energy production and storage - Imaging, numerical generation of porous media - Geotechnical - Reactive and dispersive transport - Multiscale fibrous media - Wave propagation
